

Sale Name: Estate Auction - Statesboro, GA

LOT 688 - Samurai Sword with display rack

Description

Samurai Sword with display rack. 29 1/2" when in case, 23" handle to tip, 15 1/8" blade. Handle and sheath appear to be made of bone. The handle has damage to the heel. Lot includes display case and 2 other handle parts. Parts are a very similar design, but are not believed to belong to this sword. This sword is thought to be original, but its origins are unknown. Interested bidders are strongly encouraged to inspect this item in person to make a determination for themselves.

Quantity: 1
